Message from the HOD

Mrs. Manisha Band
Programme Chairperson

Greetings,

It gives me immense pleasure to present to you all Usha: National Arbitration Moot, 2023 in collaboration with 'Lakshmikumaran & Sridharan' organized by NMIMS School of Law, Navi Mumbai. The School of Law was established under the aegis of the NMIMS university in 2018. Over the years, it has been recognized and ranked as one of the leading law colleges in the country.

Alternate Dispute Resolution today is increasingly considered the norm rather than an exception as conceived earlier. The competition is an excellent opportunity to sharpen your advocacy skills with a focus on ADR methods in the ever-evolving legal and economic environment. The aim is to foster the study of arbitration and provide practical training to students interested in the field. Alongside, it is also a melting pot for experts, academicians and students who find ADR as the focal point of their interests.

I hope that this event would be productive and provide an unparalleled learning curve to all the participants. More than anything else, wish you a fun filled and an enriching experience at the event.

I hereby cordially invite you all to participate in this Usha: National Arbitration Moot, 2023 in collaboration with 'Lakshmikumaran & Sridharan' and welcome you all to join in our endeavor and make this event a grand success.

Manisha Band
Programme Chairperson & Assistant professor,
NMIMS School of Law, Navi Mumbai
