

STME Orientation Program (2022-23)

*“The start of something new brings the hope of something great,
as rightly said trust the magic of new beginnings.”*

With this beautiful quote, INDUCTION PROGRAM for the year 2022-2023 was commenced. The Program was conducted for 6 days filled with all the fun, interactive and inspiring events.

S

16.08.22 (Tuesday)- Day 1

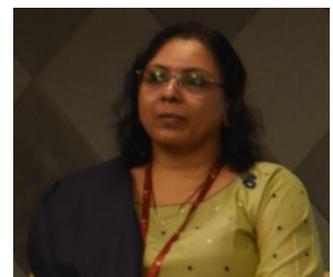

The Program kickstarted with our zealous presidents of the Student Council and Sports committee Ms. Esha Srivastava and Mr. Manthan Tripathi respectively. The day had a holy start with lighting the lamp by our esteemed Director sir, Prof. Aditya Kasar, Dr. Toral Shah, Prof. Asha Rawat ma'am and both the presidents. To pay our respects for the platform binding together as one, NMIMS Anthem was played followed by National Anthem.

The session was proceeded by the hosts of the day, they gave a glimpse of our respected Director sir Mr. Parthsarathi Mukherjee's life. To address the students, Director sir gave an inspiring speech to the students making them think to reach beyond their potential and climb the ladder of

success. He shared his individual experiences that motivated students to accept all the challenges that may come their way and overcome them.

Prof. Toral ma'am also motivated the students while giving a glimpse of college life. She talked about challenges faced during the freshmen year and how to overcome them. Ma'am concluded with informing about the STME Student Council and Committees.

After such a motivational speech, the vote of thanks was delivered by Professor Aditya Kasar sir, expressing his gratitude to all the dignitaries for being a part of this Program and making it a grand success.

To let the students know about their campus, the students were given a tour of their by the members of the Student Council. This helped them to be aware of the whereabouts of our astonishing university.

17.08.22 (Wednesday)- Day 2

As rightly said, “Yoga does not change the way we see things, it transforms the person who sees it.” The

second day of the Program started with a healthy yoga session by Dr. Reena. She made students perform various asanas that filled the students with the light of positivity.

After such an exciting start to the day, we had Dr. Saurav Das, who embraced the students towards their careers by sharing his journey. He explained that it is not what we achieve in life, it is all about what we overcome and that defines our career. He persuaded students in finding their passion, the key to their success.

After such an illuminating session, Hitesh Sir & Anupriya Ma'am embraced the students with all the rules and regulations related to the Academic section. He briefed the students about all the policies that are followed for evaluation.

Clubs/committees play a significant role in college life. The students get a real-life experience of leading and managing a committee, a major step towards their commanding careers. Hence, the Student Council along with all the heads, coheads, presidents, and vice presidents of all the clubs and committees gave a piece of brief information about respective arenas and encouraged the students to be a part of it.

An inspiring session with our Alumni Ms. Aishwarya Rai was conducted wherein she shared her experiences about what changes and difficulties she faced after college in the corporate world, a new era. She also had a Q&A session with the students

helping them have a better understanding.

The day ended with an energetic and fun jamming session with the music committee engaging the students in melodious touches of melancholy.

18.08.22 (Thursday)- Day 3

The day started with Dr. Alka Mahajan addressing the students on the various Programs that NMIMS provides to all the students and about academic rules and regulations, specifying the evaluation criteria. She also specified our international programs where NMIMS has collaborations with various universities outside the country, allowing students to complete a 3-degree course within 5 years.

This was followed by a fun and interactive session conducted by Professor Aditya Kasar sir where he showed the students how to memorize things rapidly and gave a few tips and tricks for the same. He then asked the students to perform the same tips with

him and students were amused with those tricks as

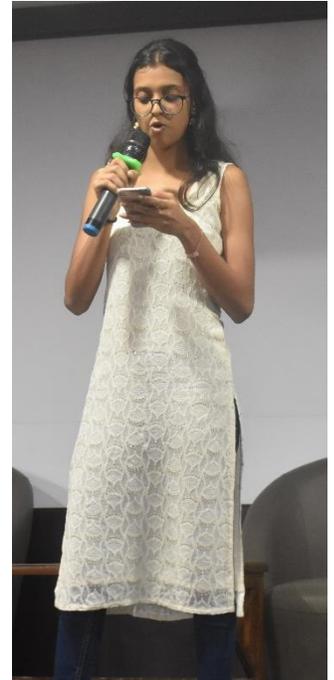

As rightly said, “Nothing is pleasanter than exploring a Library.” And hence Ms. Amruta Kashilkar briefed the students about the books, eBooks, library policies, and about the NMIMS portal and its functioning.

Following this, there was an educational session conducted by Dr. Mohan Rao on the topic of Universal Human Values. He explained that to lead a meaningful life, we need to cherish others, pay attention to human values, and try to

cultivate inner peace. It was a value-adding session wherein students were able to learn new things important for them to lead healthy and happy life.

The session was concluded with an Open Mic event where the students were provided with a platform to present and perform their melancholy on stage voluntarily.

20.08.22 (Saturday)- Day 4

The day started with a motivational speech by Ms. Anam Gwaliori. She started by asking the students about some fun and interesting questions from various famous series, explaining what the characters lacked in their lives. She motivated them by giving various instances where people give up on their work and how they overcome those fears and how they pass out with excellence. This encouraged them to question their potential and perform beyond potential.

It is said that Placement is the determination of the job to which an accepted candidate is to be assigned and his assignment to that job. To brief the students further on this topic, the president of PlaceCom Manjiri Kamthe threw the light on the working of place comm. Lakshmikant Narkhade sir along with the members then addressed the questions about the placement

committee of NMIMS.

Sports play a key role in one's life. Sports let us challenge ourselves and win battles against our fears. The sports committee of NMIMS conducted various sports events for lightening the freshers up. Events like tug of war, Xbox, etc. were conducted.

22.08.22 (Monday)- Day 5

“The secret of getting ahead is getting started.” Entrepreneurship is thinking out of the box and solving problems. To brief the students more about the concept of entrepreneurship, the faculty mentor of E CELL of NMIMS Navi Mumbai, Ms. Aparna Rao ma'am addressed the students with entrepreneurial knowledge, making them gaze at their capabilities of becoming an entrepreneur. To tell more about entrepreneurship, Ravi Kaushik sir threw light on the topic of what difficulties one can face and solutions for the same while pursuing entrepreneurship.

No technology that is connected to the internet is un-hackable. Hence to protect our data, we require cyber security. And to enlighten more on this topic, assistant professor Yogesh Jadhav addressed the students on the cyber security hacks.

Prof. Jinal Shah, enthusiastically took a session on Digital Branding by embracing the students about their personal branding via LinkedIn using hands-on methods.

Talent is nothing without dedication and discipline and dedication and discipline are talents. Hence the student council gave the students a platform wherein they can come out

of their comfort zone and highlight their talents to the audience out there.

Some other mentions of students presenting their talent in the above pictures. The winners of this event were:

1. Kavya Nair
2. Saanidhya Bhatt, Swayam Singh, Rhea Patel (the trio)
3. Anushka Raspayle

23.08.22 (Tuesday)- Day 6

As rightly said, “A teacher plants the seeds of knowledge, sprinkles them with love, and patiently nurtures their growth to pursue tomorrow's dreams.” And hence further sessions were carried out by Dr. Toral Shah ma'am briefing the students about their courses and introducing them to their respective faculties.

It is not about ideas; it is about making ideas happen in real life. To throw more light on this topic, Mr. Ajay Ramasubramaniam communicated on the topic of Start-ups in India. He explained that ideas are easy, but implementation is hard. And this field requires utter patience, endurance, and perseverance by an individual to make things happen.

After such a delightful session, the most important session of a selection of Class Representative took place. As rightly said, “A leader is the one who knows the way, goes the way, and shows the way.” Hence the students who believed that their leadership qualities may overpower the others came in and appealed for the votes of their classmates. After full elections, we got a new batch of CRs from all four batches. The selected Class representatives after the elections were:

BTech CE (Div.- A)

Sumukh Gour
Saransh Sahay
Mahek Mushrif
Yashashri Joshi

BTech CE (Div.- B)

Siddhi Kadam
Aman Syed
Rhea Patel
Pratham Desai

BTech AI & DS

Saanidhya Bhatt
Prathamesh Ramde
Avani Dange
Anushka Raspayle

MBA Tech

Palash Gupta
Vrishank Nalawade
Prapti Kharade
Sharwari Yende

Since the atmosphere was highly spirited and competitive, there was one more fun competition organized, The Poster Making competition.

The theme of the competition was to create a poster ***to create an awareness of using an eco-friendly Ganapati idol, thus neither polluting the natural environment nor people's sentiments.***

The students were divided into a group of ten and they all prepared a poster within a limited time.

The winning group of this competition was:

“GANESH KRITI”

Members of this group were:

- Rhea Patel
- Aarushi Jain
- Swayam Singh
- Saanidhya Bhatt
- Apoorva Pevekar
- Rushikesh Giri
- Akhil Chauhan
- Aban Qureshi
- Himanshu Rotey
- Kirtan Shetty

Keeping up the heels and heads high, last but not the least, the prom for freshers was arranged by the student council.

The prom king and queen were:

- Swayam Singh (King)
- Kusum Panamgipalli (Queen)

The event ended with some dance and music and various interactions.

This was not the end; it was a beginning for the start of an exhilarating and cultured journey that the freshers were going to encounter in the upcoming years.
