

2018-2020

Final Placements Report

Director's Message

SVKM' NMIMS – School of Business Management is a premium Management Institute and consistently ranked among the top ten Business Schools in the country. It is known for its conscientious effort to maintain high standards. It attracts the best talents in the country in the field of Business Management. It is probably one of the most sought-after Institute for learning Business Management in the country. The NMIMS brand spells excellence and among the top brands in the field of academics in India. All our academic programs are consistently ranked among the top 10 institutes in the country.

NMIMS Navi Mumbai campus believes in imparting management education focusing on “Development of Holistic Management Skills” as the culmination stage of education before the student enters the corporate as well as the real world all by himself outside the shadow of continual parental and academic guidance of teachers. NMIMS Navi Mumbai is committed to nurturing leaders and entrepreneurs who will empower their organizations in the global economy. At the same time, the Institute remains deeply rooted with the ethos and values of Indian management system with global orientation. Our board of studies and academic council has participation from top industry leaders and academicians. We are committed to providing a holistic management development to the future corporate professionals and entrepreneurs with well-honed skills, positive attitude and self-confidence.

The class of 2019-2021 has grown from solidarity to quality and has evolved into professionals who now await an opportunity to prove their merit. I am confident that our students will make our organization proud and will be an asset to your organization.

Our Alumnus from the past batches has been acclaimed of very high standard with excellent performance and value addition to whichever organization they have joined. We have received many such spontaneous appreciation letter from the corporates for their class of excellence differentiating themselves from the rest of the management trainees.

I hereby, assure you that our students will continue to produce the same level of performance in your esteemed organization.

Dr. P.N. Mukherjee

Associate Dean's Message

NMIMS Navi Mumbai offers a friendly and exciting academic environment in which the views, values, ideas and experiences of students from across the country are not only shared, but also analyzed and reexamined thoroughly through continuous interaction among students and faculty members.

As the Associate Dean of the Navi Mumbai campus, I am proud to affirm that the success of our program is owed in large part to the dedication of each faculty member and active involvement of each student.

The pedagogy provides real time exposure and hands on training to the students to understand and analyze the various business scenarios as they unfold in real world. The activities of the students are spread out in such a way that they have holistic skill sets built on the conceptual, application as well as analytical front. The pedagogy is heavily interactive with a practical orientation, thus helping them in developing their competency and realize their full potential to contribute to the real industry problems.

I hereby invite you in the placement activity at the campus, as the students are ready to enter the industry portals and contribute to the real world through their knowledge and "can do" attitude . I take pride in sharing their profiles with you and invite you for the summer internship for the first-year students and the final placement of the seniors in the PGDM program.

Dr. Manjari Srivastava

Placement Overview

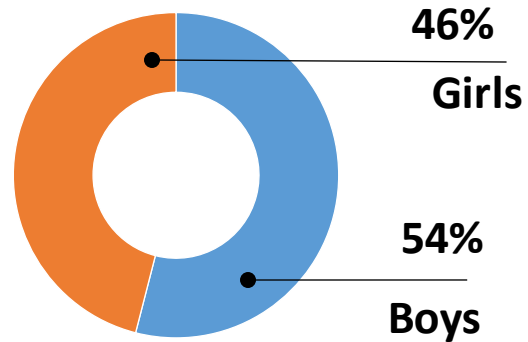

The college sought associations with a total of 90 companies for the Final Placements of the Batch of 2018-20, with offering students' roles in various fields of Marketing, Finance and Operations with the highest salary of INR 15.07 LPA. This success can be attributed to the holistic development imbibed in the students through the program.

At SBM, NMIMS Navi Mumbai students make sure they actively take part in the skill building co-curricular activities keeping in line with vision the of the college, participating in competitions of National and International repute.

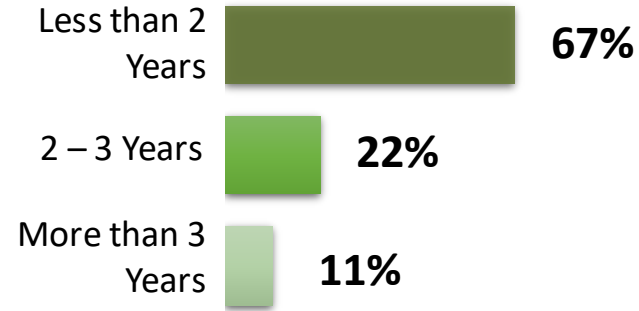

We thank the companies that have associated with us for the faith and confidence entrusted, that has eventually led to successful campus engagement activities, round the year and a fruitful season for Summers and Finals.
