

PGDM- FINAL PLACEMENTS REPORT BATCH 2017-2019

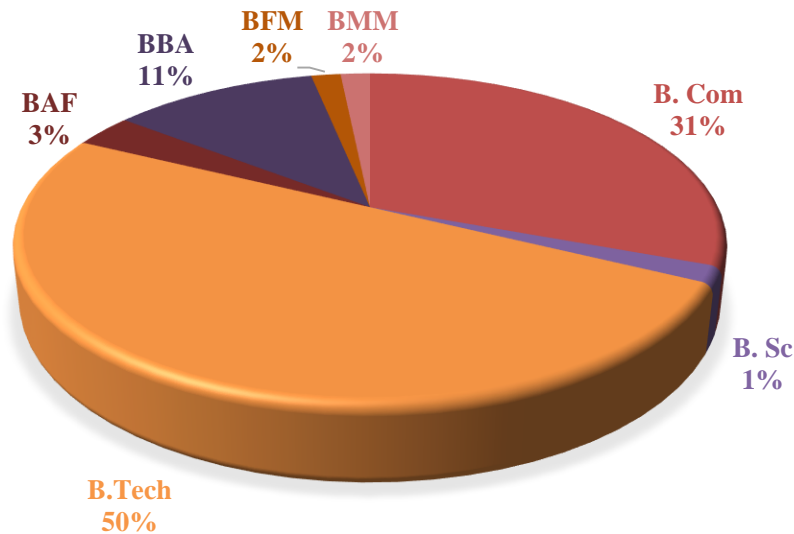

OVERVIEW

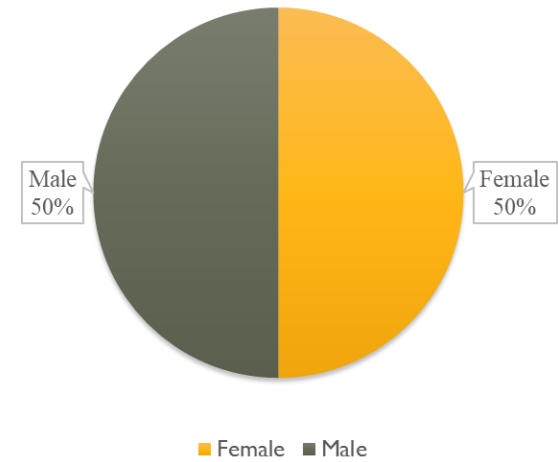

With immense pride, SVKM's School of Business Management NMIMS Navi Mumbai would like to announce the successful conclusion of the Final Placements (PGDM 2019 Batch), Summer Placements (PGDM 2020 Batch) and Summer Placements (BBA 2020 Batch). NMIMS, Navi Mumbai stood out among the premier business schools in the Western Region of the country through its admirable Final Placements for the Batch'2019. The stellar placements at NMIMS Navi Mumbai amidst the increasingly volatile economic scenario stand testimony to the faith shown by industry stalwarts in its students, pedagogy and faculty. Our recruiters entrusted their faith in the quality of talent by opening many coveted roles. The placement season also received an overwhelming response from first time recruiters across various sectors. The program curriculum revolves around the three pronged KSA (Knowledge, Skills and Attitude) approach and considerable emphasis is given to a range of developmental skills and attitude through We Care Internship with the NGOs. We will strive to nurture these partnerships in the best manner possible.
