TVARAN 2018 - First Ever Annual Cultural Extravaganza at NMIMS Navi Mumbai

The NMIMS Navi Mumbai is delighted to have held its first ever annual cultural extravaganza, Tvaran 2018 on 10th March 2018. The theme of Tvaran 2018 was “Celebrating India on a Global Arena”, and our Title Sponsors were ONGC Ltd. It brought together participants from the top colleges of Mumbai and India, luminaries from the arena of music, dance, drama and sports and dignitaries from the Corporate world.

The Theme

Tvaran 2018, our first ever annual cultural extravaganza created an unforgettable experience for all its partakers, concurrently providing unique opportunities for all participants for showcasing their talents. Tvaran 2018 launched every member into an enchanting voyage through its theme ‘Celebrating India on a Global Arena’.

Offering a rich blend of music, dance, fashion, drama and numerous other fun events, Tvaran presented an exuberant garland of cultural diversity, learning and never-ending entertainment.

The Inauguration

The event was inaugurated by way of the lamp lighting ceremony by Dr. P.N. Mukherjee, Director, NMIMS Navi Mumbai, Dr. Manoj Kumar, Associate Dean (SBM), Dr. Anupam Asthana, Associate Dean (STME), complete faculty, staff and students.

The Fest contests

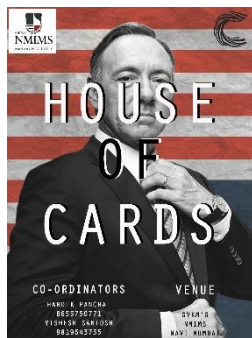

As morning shows the day, the cultural festival had a marvelous opening with all the faculties and students participating in the fun events organized all over the campus. The complete campus – corridors, classrooms, seminar halls were bedecked and buzzing with excitement.

The Art Cell outdid itself and brought forth its creativity to create distinctive and thought provoking theme based designs. The embellishments reflected the students' enthusiasm and passion on one hand and their intellectual and ingenious talent on the other.

A Round-up of events

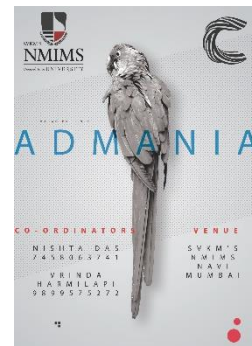

House of Cards

Freedom of speech is one of the most important privileges enjoyed by our leaders but with this privilege comes great responsibility – maintaining order and decorum in the House. This game managed to create the same atmosphere and teams competed fiercely to establish their supremacy with dignity. Organised by: Hardik Panchal, Vishesh Santosh, Sakshi Saxena, Aakash Tiwari. Winners: Mohd Mujtaba & Mudit Mathur; Vivek Jain & Jayant Jaiswal

Admania

Admania was a platform where the participants showcased their zing for marketing. The students displayed their creativity, innovation, impromptu ability, cognitive skills and most importantly knack for advertising and winning hearts! Organised by: Nishtha Das, Vrinda Harmilapi. Winners: Siddhi Jain, Hardik Panchal

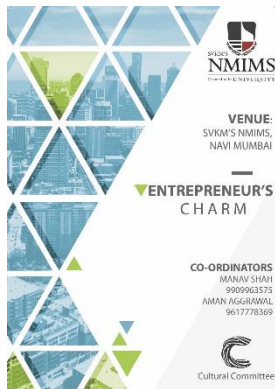

Quibble

A Quiz with a difference – Quibble was an event which required the participants to indulge in extensive intellectual dribbling. The topics ranged from marketing and ads, to general knowledge and politics. The competitors were kept on their toes and had to change tracks ever so often. Organised by: Shantanu Acharya, Ritvik. Winners: Jai Arora & Manish Vaswani, Akshit Garg & Harshit Gokhrav.

E-Charm

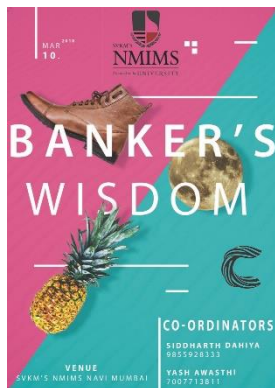

A celebration of the entrepreneurial spirit and to bring the empire-building skills among the participants, a giant life-size snakes and ladders board was created. The 'entrepreneurs' themselves were the pawns and had to maneuver dexterously to finish first. The desire to grab the proverbial 'ladder' and the dismay at falling prey to the 'serpent's jaws' – it was a scene to watch! It had the faculties also joining in the fun. Organized by: Manav Shah, Aman

Agarwal. Winners: Manan Sanghvi & Jay Mehta, Chirag Gulati & Rohit Dhar.

Banker's wisdom

Our youth is the harbinger of change. Heralding this idea, this game had our Financial Experts focusing their thoughts and ideas to bring about path breaking changes to our Economy. Digging deep into the Banking system, participants analyzed various issues and proposed exceptional solutions to the same. Organised by: Yash Awasti, Siddharth Dahiya. Winners: Anindya Mitra & Aritra Guha.

Teleprompter

A spin-off on the story-telling and extempore speech challenges, this game required the participants to think on their feet and fill in the blanks in a given story using their imagination and clever wit.
